

Other Ways You Can Help

◆ **Organise a fundraising event** on our behalf. We shall be happy to talk about how we can help.

◆ **Make a donation**

This can be made by cash/cheque made payable to All Hallows Hospital. You can also donate via our website: www.all-hallows.org.uk Click on the donate button and follow the instructions.

◆ **Make a regular donation**

This can be done through a standing order to your bank. Remembering that for every pound you give as a UK taxpayer we can benefit by a extra 28pence.

◆ **Become a friend** of All Hallows Hospital.

Please telephone for further details.

◆ **Work as a volunteer** at All Hallows Hospital. Please telephone for further details.

Funding

Although All Hallows Hospital has contractual arrangements with the surrounding healthcare providers for in patient beds we are independent and have to purchase all of our own equipment. To raise these funds we rely heavily on the generosity of local people. Donations and legacies help ensure that we are able to continue our vital work. We are totally reliant on the generosity of our friends and supporters.

You Can Leave A Legacy To

All Hallows Hospital

Part of All Hallows Healthcare Trust

A registered Charity No. 1124717

An Introduction

All Hallows Hospital is an Independent Charitable Community Hospital situated in the countryside of South Norfolk offering the highest standards of care.

The Hospital's aim is to deliver quality and compassionate healthcare using skilled and dedicated staff.

Our distinctive philosophy of care, based on our Christian values, is reflected in our welcoming environment, in our understanding of patient's needs and beliefs and our respect for the dignity of each individual.

The Hospital has 29 in-patient beds providing predominantly palliative and rehabilitation care including 4 beds for individuals with complex needs and 2 beds specialising in eating disorders. There are 8 beds in St Edmunds House, a long term care unit designed to provide 24 hour nursing care to people between the ages of 18 and 65 with a physical or sensory disability.

There is also a busy physiotherapy department and a day care centre which offers day care services to local people. All Hallows Homecare also operates from the Hospital delivering care and domestic tasks to a wide range of people living in their own home.

Our work at All Hallows is needed as we provide a valuable service to our local community this service is required by the young and old who have rehabilitation and long stay needs. We also have patients with HIV and patients who have palliative care needs too.

To leave a legacy in simple terms it means leaving a gift from your estate to a charitable organisation of your choice. It also lets your loved ones know what is very dear to you.

Many people find it difficult to think about what will happen when they die. And too often this results in a failure to make the necessary arrangements. One of the most important preparations you can make is to ensure you have an up to date will.

Making a will is simple, easy to arrange and it need not be costly. Gifts to charity are Inheritance Tax Free so leaving a gift to All Hallows Hospital could reduce the tax payable on your estate.

Writing a will is your chance to shape the world you leave behind, it is a way for people to carry on after they have gone. A legacy can also be left as a memorial gift, this is a wonderful way to perpetuate the values and ideas of loved ones.

Every gift, no matter how modest, is much appreciated.
